SPRING JACKETS—GEO. M. SNOOK & CO.

## HERE'S A LINE OF Spring Jackets THAT MUST BE SOLD

Here are the Prices that are going to do it.

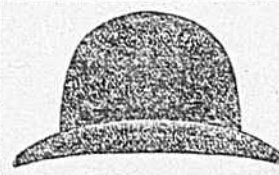

HERE are about one hundred of these Jackets—Light, Dark Colored and Black; many of them lined throughout with Fine Satin. None of them but what are worth THREE times the price quoted!

WE HAVE ANNIHILATED VALUES BEFORE, BUT NEVER SUCH AN UTTER DEMOLITION OF VALUES AS THIS:

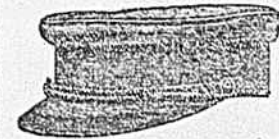

FIVE LOTS:	Lot No. 1 will be sold for.....	95 each.
	Lot No. 2 will be sold for.....	\$1 95 each.
	Lot No. 3 will be sold for.....	2 95 each.
	Lot No. 4 will be sold for.....	3 95 each.
	Lot No. 5 will be sold for.....	4 95 each.

Just reflect for a moment, 95c will not pay for the making of the cheapest kind of a Jacket, yet 95c buys a good Jacket complete at this sale, in fact gives you choice of Jackets that have sold from \$3 00 to \$4 00 each. Take the line at \$4 95. There are fine Black Satin Lined Clay Worsted Jackets among them, which have sold from \$15 00 to \$20 00 each. When you consider that \$4 95 is about the price of an ordinary shawl, you will more fully realize what an unusual opportunity is now presented. To those who care for comfort and would save much money, we say come, come and attend this great sale of Spring Jackets. Our word for it, you will secure three to four dollars worth of value for every dollar invested.

Death of G. J. Bowers.

Gustavus J. Bowers died at his home in Elm Grove, Sunday after a sickness of over one year, aged fifty-five years. Mr. Bowers was a stone contractor and has lived in Elm Grove for twenty years.

Fire Near Mountsville.

On Saturday about noon the house and several other buildings near by, belonging to ex-Postmaster Hammond, about three miles east of Mountsville, were totally destroyed by fire. Mrs. Hammond and daughter had been cleaning the house and put a quantity of paper and straw in the grate and lighted it. They were absent from it for a short while, when they returned they discovered the house on fire. All the efforts put forth did not save it from destruction. The family had intended to move into it this week. The loss to Mr. Hammond will be over \$1,200, with no insurance.

U., will give the history of why they have these contests. There will be good music interspersed. MOVING TALES OF THE DAY.

The Annual Shifting of Residences Unprecedented in Wheeling.  
Yesterday was moving day. Probably more people moved than ever before in the history of the town. The wagons were not numerous enough to do all the work on Saturday and Monday, and many people will be moving today. Late last night expressmen were still busily engaged loading and hauling goods.

More houses are vacant just now than ever before. This is due to the hard times, many people doubling up with friends in one house to save rent. Others have broken up housekeeping, selling or packing their furniture.

As a general thing rents have become cheaper. Only one case was heard of yesterday of an increase in rent, and in that case the tenant moved into a better room, in a better location, and pays a lower rent than before his former landlord raised it. His former stand is vacant.

## THE COUNTY BOARD.

A Long Session Devoted to Road Business Yesterday.

## THE MATTER OF A COUNTRY ROAD

Occupies Most of the Day—The Annual Appropriation Ordinance is Passed—Liquor Licenses Granted. Extra Pay for Assessors—Recipients of County Aid Reported On.

The longest session of the board of county commissioners for several years was held yesterday, and it was mainly consumed in passing on a controversy as to the location of a road. This was a short piece of new road from Beck's hill to the Potomac pike. Mr. Rogers objected to the report of the committee of viewers, but it was adopted. The proceedings were recorded in shorthand by Louis Schrader. Mr. Howard acted for the county and Mr. Somerville appeared for Mr. Rogers.

A petition was received from the Wheeling & Elm Grove Railway Company asking exemption from toll for the herdie line it proposes to run from Elm Grove to Triadelphia after April 20, to connect with the motor line. It was granted for three months.

The liquor dealers outside the municipal corporations were granted renewals of their licenses; also those certified by the councils of Elm Grove and Fulton. Most of these were for the sale of wine, beer and cider only. They are just the same as last year.

Mr. Fritz made a special report from the committee to investigate the condition of persons receiving county aid in Madison and Clay districts. In most cases the recommendation was "no aid allowed." Messrs. Kindleberger and Irwin were appointed by President Robbins as the committee for the ensuing three months.

It was resolved to allow the assessors \$75 in the city and \$25 in the country for locating residences of persons assessed for taxation, if they were willing to do the work for that compensation.

Bills were recommended and ordered paid as follows:  
Roads and bridges.....\$1,200 43  
Poor house and farm.....75 62  
Contingent fund.....1,143 62  
Finance committee.....83 40  
County house and jail.....91 77  
Total.....\$3,600 87

The annual appropriation ordinance, the details of which were printed in the INTELLIGENCER, last week, was passed as it came from the committee.

It was nearly six o'clock when the board finally finished its business and adjourned.

Walker Whiteside To-night.

If half the good things said about Walker Whiteside, the young tragedian, are deserved, Wheeling people are fortunate in having an opportunity to see him in "Hamlet" this evening and in "Richard III" to-morrow evening, at the Opera House. Though but a young man, and comparatively a recent addition to the galaxy of American stars, he has won favor from some pretty severe critics. Really great tragedians are so scarce in these days that when an actor appears who gives promise of becoming one, he should receive all encouragement. The two plays he has selected to present here have been pronounced his best, which is saying much for him, for none could more severely test his genius. Seats are on sale at House's music store.

Franz Wilezek Concert.

Seats will be on sale this morning at 8 o'clock, at C. A. House's music store for the closing concert of the Young Men's Christian Association course. The concert will be given by the celebrated Franz Wilezek company. Mr. Wilezek is a true master of the violin. Mamie Renek Wilezek, violinist, is a brilliant performer. Inez Parmater has one of the best dramatic soprano voices in this country. Edwin Shoner the pianist, is a perfect artist, and of Bernard Einstein the tenor, the press has at all times been lavish in his praise. Each artist is first class, and the company will give an excellent concert.

The Evolution

Of medicinal agents is gradually relegating the old-time herbs, pills, draughts and vegetable extracts to the rear and bringing into general use the pleasant and effective liquid laxative, Syrup of Figs. To get the true remedy see that it is manufactured by the California Fig Syrup Co. only. For sale by all leading druggists.

WHY WASTE YOUR MONEY—THE HUB CLOTHIERS.

SAVING'S  
WHAT  
COUNTS.

SAVING'S  
WHAT  
COUNTS.

## Why Waste Your Money.

### IT'S EASIER TO SAVE THAN TO EARN!

"A penny saved is two pence earned," quoth Sage Ben Franklin; true, every word of it. We all want money. We all work hard for it. For the sake of money itself? No; but for what it will buy, spending the money wisely, that's the rub. Does not the profit earned by economical buying count for as much as that earned by hard work? Here's where we come to your aid. We buy enormous quantities for spot cash. Turn our money over quickly. Can afford to give the lowest prices—do give the GREATEST VALUE FOR YOUR MONEY.

## Men's Suits.

Might as well try to put all the water in the ocean into a tumbler as to endeavor to give the reader a conception of the magnitude and variety of our Men's Suit stock. Far easier to tell you what we haven't got than what we have, for there is little that is worth anything that is not found here. Not a Suit in the vast aggregation but is worth every dollar asked for it, not a style that is old, not a fit that is faulty, not a make that is unreliable. Scores of styles in Cutaways and Sacks, in single and double-breasted. When it comes to prices, we have practically no competition in this city with the quality of goods offered for the money asked. Come and compare them with any you have seen or heard of.
